[1] By memorandum dated 21 April 2015, counsel for the Christchurch City Council sought a direction on whether submissions concerning temporary activities in Lyttelton, including the Lyttelton Market, should be considered as part of the Stage 1 Industrial and Commercial hearing, or whether they should be considered as part of the Stage 2 Transport (Proposal 7) hearing and the Stage 2 General Rules and Procedures (Proposal 6) hearing, which includes rules on temporary activities.

[2] The Panel directs as follows:

- (a) An order is made that submissions concerning temporary activities in Lyttelton should be heard as part of Stage 2.
- (b) The Christchurch City Council is to notify all those who submitted on Stage 1 of the need to submit again on Stage 2.
