### Christchurch Replacement District Plan

*Te paeopae motuhake o te mahere whakahoā a rohe o Ōtautahi*

## INDICATIVE HEARING SCHEDULE

### Ch14 - Residential (part) and Ch8 Subdivision Provisions

Version date: 22/04/15, 2:47 p.m.. Please check website for the latest version [www.chcchplan.inhp.govt.nz](http://www.chcchplan.inhp.govt.nz)

**Please note:** The hearing schedule is subject to change depending on the length of presentations, witness availability and number of questions. Specific time slots cannot be guaranteed for presenters.

Submitters should arrive early and make themselves available for the full morning or afternoon that they are scheduled to speak as the schedule can change.

Parties calling several witnesses must also avoid any gaps or delays in the hearing. That may necessitate bringing witnesses forward and/or accommodating other party witnesses intervening. Counsel are expected to liaise with each other and communicate with secretariat staff, in anticipation of such matters. In addition, all parties calling witnesses must ensure the witnesses are able to give evidence on the morning or afternoon on which they are scheduled to speak (rather than arriving a few minutes before their indicative hearing slot).
