**APPLICATION ON BEHALF OF THE ELMWOOD CLUB (SUBMITTER REFERENCE: 2343)  
SEEKING LEAVE TO FILE A WRITTEN STATEMENT OUT OF TIME**

**15 October 2015**

---

1. The purpose of this application is to respectfully seek leave to file a written statement on behalf of the Elmwood Club Inc. (submitter ref: 2343) for the Proposal 21: Specific Purpose Zone hearing out of time, and by 9am Monday 19 October 2015.
2. Submitter evidence and written statements are due to be filed by 5.00pm Thursday 15 October 2015.
3. The Elmwood Club is seeking leave to file its written statement out of time because, following mediation on Monday 12 October, discussions are continuing with the Ministry of Education and Christchurch City Council (**Council**) with a view to resolving the matters raised in the Elmwood Club's submission. In this regard, a further meeting is scheduled with Council on Friday 16 October.
4. The Elmwood Club considers that further time may enable the written statement in respect of its submission to better reflect the progress of these discussions, and any agreement that may be reached.
5. The Elmwood Club considers that the late filing of this evidence will not prejudice any of the submitters because the only parties with an interest in the relief sought (the Ministry of Education and Council) are involved in discussions with The Elmwood Club and, should leave be granted, the Council and submitters will have 4 working days before rebuttal evidence is due to be filed (as opposed to 5 working days if the written statement were filed today).
