

IN THE MATTER OF the Canterbury Earthquake
(Christchurch Replacement District Plan)
Order 2014

AND

IN THE MATTER OF Stage 2 Pre-Hearing Meetings
Chapter 18 Open Space Zone
Chapter 6 General Rules
Chapter 2 Definitions

Date: 7 August 2015

MINUTE
in relation to Stage 2 pre-hearing meetings

[1] We have given notice that these matters will be the subject of pre-hearings meetings on Monday 10 August 2015:

12.30 p.m.	Chapter 18 Open Space
2.30 p.m.	Chapter 6 General Rules
4.00 p.m.	Chapter 2 Definitions

[2] We are of the view that these matters are likely to be considered with the remaining provisions of those chapters notified in Stage 3, and therefore the intention is that the hearing of these matters will be deferred until early 2016.

[3] It is usual at pre-hearing meetings for us to consider the Council's statement of issues and to hear from the parties as to whether they are in agreement as to those. Given our initial view that these matters will be deferred, we wish to advise the parties that it will not be necessary for them to prepare to speak to those issues at the pre-hearing meeting, or to advise

of the witnesses that they intend to call. Rather, the pre-hearing meeting will be more confined and will test our initial view that these matters are appropriate for deferral.

[4] For the avoidance of doubt, your attendance is still requested to assist us in that regard.

Environment Judge John Hassan
Deputy Chair
